What's New?

The K.I.D.S Place got a \$500 Child Care Action Lab grant to help purchase all the cleaning supplies needed as a result of COVID-19.

IBT also qualified for the Payment Protection Program (PPP) loan/grant which helped ensure our employees were taken care of as we navigated COVID-19.

Thank you to Riverside Resources in Leavenworth, KS for donating face masks to IBT, allowing us to continue providing much needed services to our children and families.

United Healthcare provided donated masks by having CDDOs get in touch with local providers. Prairie Ridge in Chanute contacted a local IBT consultant to ensure we received masks through the donation.

FACEBOOK BIRTHDAY FUNDRAISER

- 1) Go to your Facebook account.
- 2) Go to your 'home' page, and look on the left side column. You should see the 'fundraiser' option under "Create" at the bottom. Click on "fundraiser" and Facebook will walk you through.

- 3) Pick your charity (Integrated Behavioral Technologies).
- 4) Set your fundraising goal and time-frame. We've seen many successful fundraisers at \$200 or even \$500 or more! Set something that you feel good about and see where it goes! You can always raise the amount if you particularly like to challenge your friends.
- 5) Invite people on your friends' list and engage with them! Share often on your timeline: remember that not everyone will see something when you post just once. While some people may be hesitant to invite people on their friends list, remember you're giving them an opportunity to participate in something large and global.
- 6) Thank people as they donate and watch numbers go up! Seriously, these people are donating to IBT because of YOU!
